

Thank You for contacting us, please find details regarding our services below:

We are a family run Coffee Engineering Business operating since February 2002 and became independent Franke Service and Sales provider in 2006 and Thermoplan agents in 2015.

Offering the whole range of Franke and Thermoplan Coffee Systems as New, or as second hand Fully Refurbished. Our aim is to find the best solution for every business, whether you are a small news agent looking for extra profit, or you are a chain of filling stations willing to offer barista quality Coffee Products, we are there for you with our nationwide coverage, rapid response time and expertise as an independent retailer.

Both new and refurbished Superautomatic Machines are covered with Fully Comprehensive warranty and we offer service/repair contracts for the life of the chosen product, at highly competitive rates, not being part of the buerocratic system large companies may represent.

Go no further if you need our One-Stop-Shop solution, where we do provide every necessary components for your station, from Customized Base Cabinets, Water Boilers to Cup Dispensers and everything in between. Please call for details and pricing.

We offer all our Fully Refurbished products on flexible Rent-to-Buy contract (lease).

Terms of Lease:

As we use multiple 3rd party leasing providers, the interest rates vary between 7-9% annually, depending on the type of equipment financed.

Leasing packages available from 12 to 36 months.

Please contact us for further details.

Every Fully Refurbished product is available on Monthly Rental (rent).

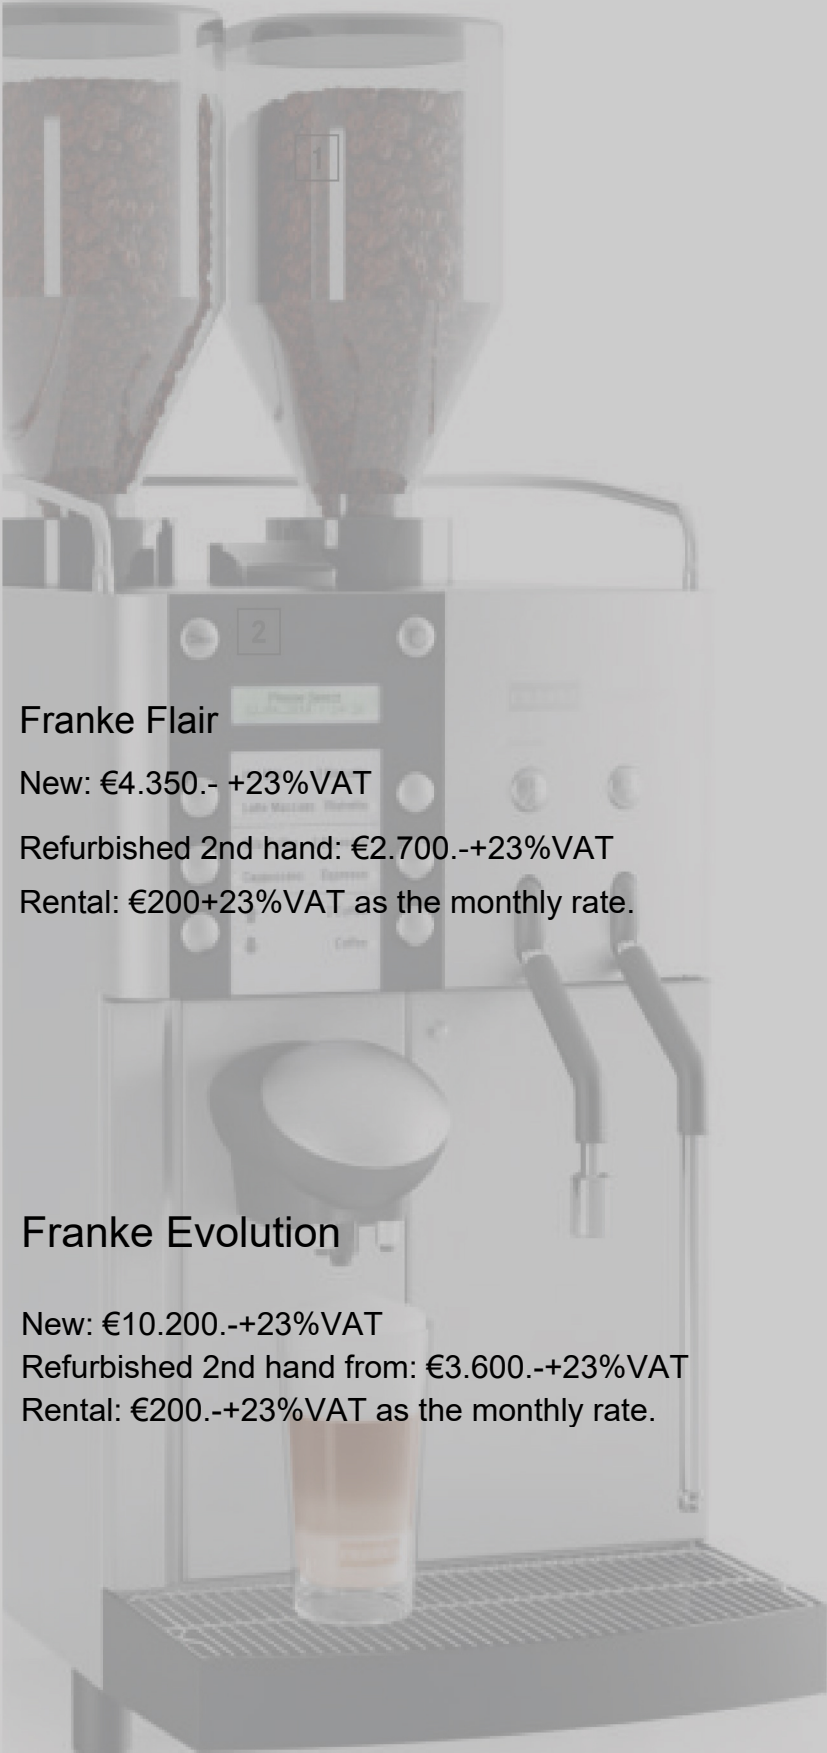

Terms of Rental:

Deposit of 1 month rental cost and first months rental payable at the beginning of the contract.

Includes 3000 drinks/month (extra drinks at 25c/drink)

Deposit refunded at the end of term

See next pages for product information and pricing.
